The perfect trip for those who love skiing, shopping, sightseeing, Native American and Spanish American history. Taos is unlike other resorts. Its mysticism comes from its rich native-American heritage, adoption by early ski pioneers, and an amazing aura of light and unique culture. It's where world renowned mountaineers, haute cuisine, creative artists and native peoples live in harmony. A place of dramatic peaks, remote chutes and long, uncrowded blue/green cruisers. We are staying at the popular slope side Snakedance Resort in 1 and 2 bedroom condos. We will participate in numerous side trips to Native American, Spanish American historical sites, as well as an all day excursion midweek to Santa Fe.
