Letter from the Prez...

Well, folks, it's that time again...time to report on the past month's activities and to take a look at this month's events. In July and August we had the usual assortment of Happy Hours and the standard Dine-a-round. Our Happy Hours continue to bring an average of 50 of you out for some end of the week cocktails and conversation. While I can only speak for myself, I really enjoy seeing everyone each week. It's a comforting way to end my week and shake off the stresses of work. I also enjoy dining around town with my friends. July's Dine-a-round took us for a taste of Thai. Approximately 20 of us dined on delicious selections from Thailand at the Red Thai Room in Aventura. For those of you

who enjoy this ethnic selection, you should take the opportunity and make the trip to either Aventura or Hollywood (another Red Thai Room location) to enjoy this cuisine. It was just fantastic!

The end of July brought with it the picnic, which was a wonderful success! Good food, good weather, good friends and an amazing attendance were the highlights. From the looks of it and those of you with whom I spoke, it seemed everyone really enjoyed the event. We saw a record number of you R.S.V.P. - 181 of you responded that you'd be at the picnic. Thank you for taking the time to answer our requests for R.S.V.P. as it makes it much easier to reserve ample food and drink and to plan a successful event. Based upon past experience and your R.S.V.P. responses, we planned for 200 attendees. Although we didn't hit the numbers that we anticipated, 171 of you (plus children, which we estimate at 10 to 12) showed up - a record attendance and an increase from last year! In addition, we had over 20 renewals and new members join our ranks. Thank you for your continued support. I anticipate that your support will translate into filling this year's trips rapidly. We are pleased to report we sold spots on nearly all of the trips offered for the 2003 ski season. We're off to a good start. As you know, if you read the State of the Club Address in last month's Newsletter, last year's picnic blew the doors off of all expectations with regard to trip sales...clearly, a hard act to follow. We are behind last year's numbers, however, it's still early in the season. Sadly, a lack of support for the Green Turtle trip required its cancellation. I'm hoping this is our only disappointment for the year. We have spaces still available on each of the 2003 ski trips. Check out the Trip Update article in this issue for more details on each trip. The first Snowball of the year is just around the corner. If the attendance from the picnic is any indication, it should be a success. A success, I hope, that translates into a flurry of trip applications.

We had a unique request from one of our long-standing members to publish a letter he wrote to George Ondricek, Past President. As we have solicited your comments, contributions and input over the last two years, I thought it fitting to honor this member's request. Check out the "Member voice." I look forward to seeing all of you at the Snowball!

Snowball!

It's the first Snowball of the season! Always a spectacular event. Our theme is a "**FORMAL FROM THE WAIST UP PARTY.**" Get creative. Be imaginative. Bring out your finest on top (tuxedo shirt, sequin blouse...) and pair it with your most comfortable bottom (jeans, shorts, sweatpants, capris...). Join us for our new expanded menu of pizza, pasta, salad, rolls and dessert. Eat hearty, dance the night away and sign up for trips. See RSVP form on the last page.

Meet & Greet

Here is a great opportunity to meet more of your fellow ski club members and become involved in your Club! Become a volunteer at the Snowball registration desk! We need you to help us in one hour shifts in greeting and registering members. Please participate and help your Club by contacting **Michelle Dunaj**, Director of Registration, (305) 445-6701, and volunteering for our September, October, November and/or December Snowballs! Your help is greatly appreciated!

Member voice

An open letter to George Ondricek, Past President, from a 28 year member and a veteran of 60 MSC trips:

Dear George,

I must say--in front of some of our friends, as many connected with the club, both past and present, for whom I have e-mail addresses--you have very much of which to be proud and for which you can pound your chest.

Number one, as President these past two years, you have not only performed a Herculean task of resurrecting our club from a very large spade of dirt; through your unselfish personal and great sacrifice of professional time and money, you have creatively amassed a plethora of programs and talented and enthusiastic support staff of officers and members to enhance and grow the Miami Ski Club into the future as a leading club amongst clubs and as a successful model for others to follow.

Having been a member since 1974, I have made many fine long-term personal friends, whom I cherish to this day--and they know who they are--and felt, as many have, sad to experience the up-and-down trials and tribulations demonstrated by the club, and was extremely happy to observe and enjoy the fantastic job you have undertaken in bringing the reknowned Miami Ski Club back to--and exceeded--the status it once enjoyed.

To name just a few, of many, successes: increased membership, creative and expanded ski trips and otherwise events, an efficient administration, both fiscally sound, profitable, with a superb communications medium in place, I can state to you, from my contacts with many of the old and new guard, that everyone is pleased. For a fact, I can also say that some of the old members--some members of both entities--are both quietly and loudly happy to see our Club succeed and go forward in the direction it has.

We have the Miami Ski Club and we have the Renegades, both of whom are made up of wonderful friends and ski and apres ski people. Some already have, and I encourage many more from both clubs to join each other and grow for a continued and newer friends-who-ski-and-don't ski community. We all like to have fun and enjoy our friends together and, with a positive and collective input, we can grow ever further to even greater heights. Remember, there's strength in numbers.

George, you deserve to be recognized, and I thank you.

H. Allen Benowitz

Trips update

Our 2002 Picnic was a huge success to kick off our ski trips and our special events. Special thanks go out to our trip leaders and our members for coming out and supporting the Club. For those of you who did not make it to the picnic, you missed out on great weather, food and most importantly, the opportunity to sign-up for our awesome trips. If you have not signed up, do not wait too long, as the trips are filling fast.

Here is where we are: **Winter Park** has 28 spots left, **Vail** has 33, **Interlaken** has 22, **Park City** has 14, **Lake Louise** with 26, and **Breckenridge** is still open at 40.

While this may seem like a lot of spots, our trip leaders report that they are getting a lot of calls, so do not wait too long. We have a great lineup of trip leaders who are enthusiastic and are already planning dinners and extras for the trip.

Something that you should consider when looking at our Club as your ski partner: The Club prides itself on providing participants with a well organized week. We plan dinners, banquets, happy hours, and other special events. Whether this is your first trip or one of several trips over the years, our trip leaders provide special personal touches, unlike other clubs. One of the major distinctions this year is we are providing daily breakfast as part of your packages, saving as much as \$10-25 a day, depending on the resort. We feel that a daily breakfast gets people to a central point first thing in the morning and it is an easy way for everyone to hook up for skiing, hiking, and shopping, etc.

Many of you have inquired about **Africa**. We are in the process of putting together an action packed itinerary. The September 2003 flight schedule is not yet out, but we have great ideas on where we would like to stay and the tours we want. As many of you know, George Ondricek, Past President and Member in Good Standing, has already been to Africa to scope out tours, hotels, and food. He came back with spectacular photos. Once we have the trip together, we will announce it in the Newsletter.

If you have any comments for feedback on our trips or ideas for upcoming venues, please contact **Cathy Stahlmann** at Vicepresident@miamiskiclub.net or **(305) 607-8840**.

Such person shall also be subject to expulsion from the Miami Ski Club if deemed necessary by the Board of Directors. In that case, the sole liability of the Miami Ski Club shall be the refund of the membership dues paid during the current year. It is the Club's policy to expressly prohibit any and all illegal activities by any member of the Club or by any participant in Club activities.

POLICY CONCERNING NON-TRIP PARTICIPANTS SHARING ROOMS: Miami Ski Club trips will be limited to only those persons whose applications and payments have been received and confirmed by the MSC office. Attempts at allowing non-trip participants to share accommodations will not be permitted. This policy has been established to protect the Miami Ski Club's reputation with the hotel industry and to avoid inconveniencing other trip participants.

FLIGHTS: All flights depart Miami International Airport. It is the responsibility of the trip participant to be at the airport at the time indicated by the tour operator to insure ample time for both the participant and luggage to make the flight. The Miami Ski Club is not responsible, either for the cost or subsequent arrangements, for any trip participant who misses the scheduled flight. If a trip participant has not gotten their ticket from the trip leader by the time the flight is called for boarding, the trip leader will leave the ticket with a supervisor at the airline's ticket counter.

LUGGAGE: As a part of the organization of the trip, the Miami Ski Club makes arrangements for baggage handling during the trip. This may or may not apply during the period of baggage handling for airport checkin, depending upon airport security procedures prevailing at the time of the flight.

You are responsible to judge your own ability to descend a slope safely based on your own physical endurance, the weather, snow conditions and inclination of skiing terrain. The areas chosen by the trip leader does not indicate that terrain is safe or suitable for you.
