## Theater & dinner

---

**Wednesday, November 8, 8 PM Show**

**Actors Playhouse, 280 Miracle Mi., Coral Gables**

**Moonlight and Magnolias** - A fun, fast-paced play taking you into 1939 Hollywood. Movie mogul David O. Selznick shuts down production on his epic movie, *Gone With The Wind*. Desperate to get the film on track, he imprisons his screenwriter, Ben Hecht and director Victor Fleming, to rewrite the script. Selznick feeds them brain food because a new screenplay is a must. The trio's efforts are like a scene from the 3 Stooges or a Marx brothers movie. We are limited to 15.

Make checks payable to Miami Ski Club, **\$30 for members** and \$35 non-member. Mail to **Pam Epstein** at 12602 SW 103 Court, Miami FL 33176. Your host for this event will be Dora Piccini. E-mail [specialevents@miamiskiclub.net](mailto:specialevents@miamiskiclub.net) or you can call **(305) 772-1500**. At 6:15 pm, join us at Lotus Garden (318 Miracle Mile) for fabulous Thai food before the show. The restaurant is a block away and is a MSC favorite. Please RSVP to Pam.

## Letter from the Prez...

Hello everyone, In the month of September Sandie and I had a fabulous two week trip in Italy and needed a vacation to recover from our vacation. Touring is great, but can be very hard on the sleep time. In our group there were Australians, Canadians and of course Americans. It's always interesting to get out of our own milieu and hear what the rest of the world is thinking, like their slant on topics as varied as politics, food, sports etc.. I went through a drought of American football. There was plenty of football on TV, but of course it is what we call soccer. The Australians in our group had a particularly hard time with the concept of tipping. In Australia there is no tipping. The employ-

ees are paid wages the same as others in contrast to the custom in our country where waiters, bartenders, etc. are paid a very minimal wage and have to depend on tips to make ends meet.

On this note, I would like to digress and bring up what has become a very disturbing trend. We have two gals (Pam Epstein and Maggie Zaitz) who are doing a magnificent job of lining up venues for Happy Hours and special events. They get us hors-de-ouvres, special drink prices (Often two for one) at wonderful venues, from The Ginger Grove to China Grill just to name a few. We have been getting feedback from these venues that while enjoying the special drink prices and the free food, our people are not taking care of the service folk. In other words, not tipping. And I know for a fact that there is not one Australian in the whole group. We even had one venue that very politely asked that we not return. The Miami Ski Club has been in existence since the 60's and has a very good reputation to uphold. We don't want it besmirched by the actions of a few. When enjoying our Happy Hours and special events, let these people know how much you appreciate their service and attention by tipping them accordingly. I would like from here on in to hear only good things from the venues we attend. On a lighter note, I want to congratulate Allen Myrick on the great job he is doing in Broward. He continues to find terrific watering holes and the attendance has been excellent.

Oct. 6 Snowball was our "Rock & Roll of the 50s & 60s". We had over 140 participants and everyone had a great time, if you didn't attend, you missed a good one. It never ceases to amaze me how Sandie manages to come up with new and fun themes.

There are still some spots open on some great ski trips. Don't get shut out for the coming season which looks like it will be one of the best yet!

## Trip update

We have made it through the hurricane season pretty much unscathed and now is time to turn our attention to something more fun! The Egypt and Israel trip is already departing (November 3 - 19) and most of the ski trips are getting ready to close out! The first trip to do so will be Vail (January 6 - 13). We are returning to one of our favorite locations at Manor Vail. Just a short walk to the lift, shops and Vail Village, it is hard to beat. We are again in the spacious studios, fireplaces and all.

January 26 - February 5, we will take off for Courchevel, France, for some of the best skiing on this planet. Slope side accommodations and a couple of days in Geneva are just the icing on this awesome cake. We still have space left on our Utah trip to Snowbird and Alta (March 10 - 17), where you can experience some of the best terrain "out West". And to finish out the season, you can still join us on the Big Sky, Montana trip. Tremendous terrain for all levels, with accommodations at the famous Huntley Lodge, which is ski-in and ski-out. But you need to decide soon which trip to take, as the trips won't be here for long!

# Habitat

**Saturday, November 11, 7:15 AM**  
**Location: Liberty City Worksite**

NW 69th Street & NW 21st Court is the designated location (this may change). In July we had 6 great volunteers, now let's go for 20! No experience needed. Miami Habitat has built more than 500 homes in low-income neighborhoods in Miami. Habitat will give us a brief training and we will sign in and get assignments. You help with what you are comfortable doing. They provide water, toilets, construction materials and work supervision.

Bring: Basic hand tools, at least a hammer, work gloves and a nail apron. You may bring more tools if you like (hard hat, box cutter, pencil and tape measure). Bring: Gatorade and Lunch for a 30 minute break at noon. Clothing: wear modest, cool stuff, hat, sunscreen, closed toe shoes (sneakers or work boots.) No jewelry is best. Leave valuables at home. Our day ends at 3:30 PM (You may leave earlier if *really* necessary.) It's a lot cooler and this is so rewarding. RSVP by Nov 6th please. Hurry, bring friends & volunteer. Monica may be our day supervisor again. Call **Pam Epstein** at **(305) 772-1500** or e-mail [specialevents@miamiskiclub.net](mailto:specialevents@miamiskiclub.net)

# The perfect gift

This holiday season you have the opportunity to give your friends a unique gift: a six month membership to our very own Miami Ski Club. Six months of parties, six months of fun, six months of incredible opportunities. Six months to find out how great it is to be a member of the Miami Ski Club. And you will save money: For only \$30 you can purchase a *single* membership and for only \$40 you can purchase a *family* membership. Membership is good for 1/1/07 to 5/31/07. So for those hard to buy for folks who seem have "everything," consider purchasing them a unique gift this year - a membership to the Miami Ski Club!

For more information or to purchase, please contact: **Robin Burr** at [dadedevelopment@miamiskiclub.net](mailto:dadedevelopment@miamiskiclub.net) or call **(305) 443-7973**, or send your check for the appropriate Gift Certificate (\$30 or \$40) made out to Miami Ski Club and mail to: Robin Burr, P.O. Box 144353, Coral Gables, FL 33114-4353. One more gift-buying problem solved!

# Be in the Parade!

**Sunday, December 31, 2 PM**  
**King Mango Strut Parade, Coconut Grove**

We need fun loving participants to represent the Miami Ski Club in the annual **King Mango Strut Parade** on New Year's Eve day. But we need to plan **now** to assure our participation in the event.

Our Miami Ski Club will be strutting in The King Mango Strut Parade this year! (We participated back in 1984 as the Snowflakes.) Here is a chance to be wacky, nutty, creative, artistic, to dress up and strut in this 25th annual event - a parade which is full of spoof and satire! First, we need some zany dedicated participants. We will have a get-together to watch the 2005 DVD of the parade. There will be e-mails and phone calls to plan and think of a theme. There are some ideas brewing! We will get to carry our MSC banner.

All you have to do now, is e-mail **Pam Epstein** at [specialevents@miamiskiclub.net](mailto:specialevents@miamiskiclub.net) or call her ASAP at **(305) 772-1500**. Just do it and have some fun! For more information about the event itself, check out [www.kingmangostrut.org](http://www.kingmangostrut.org) and start getting some clever ideas!

# Rocky Horror Picture Show & dinner

## DINNER AND DRINKS:

**Saturday, Dec. 2, 9:30 PM, Flanigans** (smoke free)  
**2505 N. University Dr., Hollywood (954) 964-3793**

We will have a relaxing dinner and perhaps a few drinks, before carpooling the 2 miles to the cinema.

## ROCKY HORROR PICTURE SHOW:

**Midnight, Flippers Hollywood Cinema**  
**7001 Taft Street, Hollywood, (954)981-5443**

Let's do the Time Warp! Remember Tim Curry as Dr. Frank-N-Furter and Susan Sarandon as Janet Weiss? Oh, and Brad (our Hero), Magenta and Meatloaf too? Want to toast and throw rice at the newlyweds?

On September 26, 1975 the Rocky Horror Picture Show premiered in Hollywood, Ca. It bombed everywhere except LA, but attentive cinema owners noticed they were selling tickets to the same people multiple times. Twentieth Century Fox then re-released the movie for midnight runs. Everyone started dancing and singing along. Rocky Horror

Picture Show hit it's peak in the 1980's. 31 years later, the MSC has the honor of sharing in this weird, rocking, midnight movie event again. If you are too young (or too old) to remember what fun this used to be, check out [www.rockyhorror.com](http://www.rockyhorror.com).

Tickets are **\$11 for members** and \$16 for guests. Please RSVP to Pam and mail your check for the movie (payable to the Miami Ski Club) to **Pam Epstein**, 12602 SW 103 Court, Miami FL 33176 by Nov. 22. Please put an e-mail or phone number on your check. For details, you can e-mail Pam at [specialevents@miamiskiclub.net](mailto:specialevents@miamiskiclub.net) or give her a call at **(305)772-1500**. Big Sky, Montana, with Yellowstone National Park as a backdrop is truly awesome. We are flying into Bozeman and will travel by coach to the resort. Our accommodations are at the recently remodeled ski-in, ski-out Huntley Lodge. The Solace Spa is located right in our hotel, plus two large outdoor whirlpools. Skiing and snowboarding are awesome at Big Sky. The resort is recognized in national ski magazines for short or non-existent lift lines.
