LETTER FROM THE PRESIDENT

Greetings Members and Friends,

I enter my second term as Miami Ski Club President very proud of what we accomplished my first year as President and very excited for the future of the Club. I recently attended the Spring Florida Ski Council meetings in Central Florida and the Miami Ski Club was the envy of the other FSC ski clubs. Members from affiliated FSC clubs wondered how the MSC was increasing membership and had such a strong online presence with online processing for events and trips. Most other clubs in the FSC are experiencing declining membership and are still trying to understand how to offer trips and events for online payments. The Miami Ski Club continues to improve how we do business to better serve our membership. I have a supportive Executive Committee, Board of Directors and loyal membership to thank for such a successful first year. Moving forward into my second year, the improvements planned will further strengthen the foundation of the MSC to encourage continued growth in membership for years to come. Some of the proposed changes include further enhancements to the MSC Web site and online members portal and a long overdue revision to the MSC Bylaws. Of course, more exciting trips are on the calendar for 2014 after an extremely successful 2013 ski trip season. Please support the Miami Ski Club by signing up for our group trips and attending local events. Dedicated volunteers on our Board of Directors and at local events are always welcome and required to keep the MSC growing. I look forward to your continued support of a very special club.

David Hartman
President
