

BIG SKY, Montana

January 27 – February 3, 2019

Florida Ski Council Trip

If you have never skied Big Sky, you are in for a huge treat! Big Sky not only boasts the biggest ski area in North America (over 5,800 acres), it also offers an incredible variety of terrain for all levels of skiing or boarding, spread across four mountains. There are seemingly endless trails with incredible vistas, and terrain that constantly changes character, making the mountain virtually impossible to ski out.

Our accommodations at the Big Sky Stillwater Condominiums (connected to the famous Huntley Lodge) are located in the Big Sky Mountain Village and easy walking distance to the Mountain Mall and the lifts. Each unit has a kitchen, fireplace, and Wi-Fi for those who just can't help themselves! The Western feel is decidedly authentic and will keep you charmed the entire week.

This being a Florida Ski Council trip, you can expect the usual parties, dinners, Club racing and other activities. As if that wasn't enough, we will also have many MSC activities and dinners of our own, to keep the group together and to get to know your fellow MSC skiers. And let's not forget the catered pre-trip party, even before we take off, and the post trip party to swap photos and stories! The proximity to Yellowstone's Western gate also gives us an opportunity to do a day of snowmobiling in the Park, for those needing a break from skiing and boarding. In short, this will be one action-packed, exciting trip!
