Florida Ski Council Trip

The Miami Ski Club and the Florida Ski Council are back to Snowmass! One of our favorite places to go ski, or not to ski! Snowmass in itself offers a tremendous variety of terrain, from beginner to expert, spanning 3,000 acres and the longest run in North America. And if that isn't enough for you, there is the free shuttle to Aspen Mountain, Buttermilk and Aspen Highlands, each with its own distinct flavor of skiing. The famed Ajax Mountain in Aspen requires no introduction, as it can satisfy any level of skier. Aspen Highlands is one of the true gems of Colorado, with incredible vistas, picturesque intermediate runs as well as terrain to challenge the best of skiers. Buttermilk is considered by many a "beginner's mountain", but next to the long cruisers, it also offers more challenging trails that tend to be uncrowded and hiding great snow stashes. You can bet that we will plan a day of skiing on some of these mountains.

We are back to the Stonebridge Inn, with the ski slope just steps from your personal ski locker at the Inn. To make our days even more relaxed, daily breakfast at the Inn is included. The few free evenings won't be enough to explore all the dining venues in the Village Mall (a short walk above the Stonebridge Inn), or in Aspen, a free shuttle ride away. For non skiers, there is plenty to do with all the stores, art galleries, restaurants and bars of Aspen.

As this is a Florida Ski Council trip, there will be parties, dinners, club racing and other activities, all included in the price of the trip. On top of the FSC events, we will plan a few evenings on our own, with happy hours and lunch meeting places, so you can hook up with the rest of the group and always have someone to ski with!
