Florida Ski Council Trip

Jackson Hole Ski Resort and Jackson, Wyoming

Jackson Hole Ski Resort is a world class ski destination with accessible terrain for all skier levels (new chairlifts opened access to more novice trails). The Hole receives over 500 inches of snow per year with epic bowl and tree skiing from the world-famous tram. The 4000 vertical feet of skiing is easily accessible by an advanced network of gondolas and high-speed chairlifts. The mountain is easy to navigate with one primary peak and one base with all trails leading to Teton Village. After a day of skiing, take in Apres Ski at the famous Mangy Moose. Teton Village at the base of Jackson Hole Resort offers numerous choices of restaurants and shops to explore post skiing. Cowboy culture meets fine dining best describes the Town of Jackson which sits at the base of the Grand Tetons and is the Southern gateway to Yellowstone National Park. The number of excellent restaurants, shops and bars within walking distance of our hotel is mind boggling. Jackson still maintains its Old West Cowboy roots with saddle seats at the Million Dollar Cowboy bar, historic venues and like the Wort Hotel and a local rodeo. Plus, there are art galleries on every block and even a famous museum displaying art of the West and the Cowboy lifestyle.

Our lodging is at the recently renovated 49er Inn in the heart of downtown Jackson within three blocks of the Town Square and the world famous Million Dollar Cowboy Bar. Our night time activities including Florida Ski Council events are just blocks from our hotel. Lodging is in spacious Studio rooms with plenty space for lounging and ski gear. Amenities include an indoor pool, outdoor/indoor hot tubs and a fitness center. 49er Inn offers a free shuttle transportation to Jackson Hole Ski Resort.
