

STEAMBOAT, Colorado, January 21 - 28, 2023

Florida Ski Council trip

We are back to Steamboat, one of our favorite ski and play destinations. The mountain offers almost 3,000 acres of skiing on 165 trails, of which almost half are intermediate. The tree skiing is legendary and the trails offer a tremendous variety of terrain, with the longest trail ("Why Not") being 3 miles long. The town of Steamboat Springs has a variety of shops, restaurants and galleries for those not skiing, or just taking the day off.

As this is a Florida Ski Council trip, there will be plenty of planned activities, including two dinner parties with music and dancing; ski races with awards, a mountain picnic lunch and more. Keeping up with MSC traditions, we will also have a pre-trip party with dinner to meet your fellow travelers; a banquet dinner at the end of the trip and a post trip party to get together again, eat, be merry and share pictures and stories.

This year, we are offering accommodations in either one bedroom condos at the Steamboat Grand Hotel or two bedroom condos at the Torian Plum, which is a ski in, ski out property. The Grand is located in the heart of the base area only a few minutes from the ski lifts, with a ski valet right at the base.

We are looking to make up for the last season (that got spoiled by COVID) and have a total blast - on and off the slopes. So sign up early, as we are going forward full steam ahead!
